It's critical for our community to be heard in Frankfort. For 2022 we are returning to an in person trip to Frankfort. To do this we need your assistance as a sponsor and a participant of this important trip! Join us as we speak in a *unified voice* to our state officials on what is important to the economic health and vitality of our community and the region.

Our philosophy is: “We never want it to be said in our state or national capital that we are only noticed by our absence. We will be noted for our presence.”

Your Voice is Needed for 2022!
