SEPTEMBER 22 & 23, 2026

Join us as a sponsor for the Paducah Chamber Annual DC Fly-In

Every day, we see the impact of strong advocacy and relationship-building in Washington, D.C. The Paducah Chamber is planning for our 2026 Washington, D.C. Fly-In on Sept. 22–23. During this two-day advocacy experience, participants will connect directly with Members of Congress, federal officials, and key agencies to discuss the priorities shaping our regional business community and help ensure West Kentucky’s voice is heard at the national level.

This is more than a trip to Washington — it’s an opportunity to build relationships, gain insight into federal policy, and engage in conversations that impact our region’s future. Attendees will also have opportunities to network with fellow business and community leaders throughout the experience. The trip will begin Tuesday morning and conclude Wednesday evening with a legislative reception, followed by departure Thursday morning. Stay tuned for additional details as plans continue to develop for this exciting and impactful experience.
