

Paducah Chamber
Intern Initiative

A large, stylized wave graphic in blue and green, positioned below the main title.

- ✓ *Provide opportunities for our college interns to connect with each other and find a supportive network.*
- ✓ *Ensure our area college students feel welcome and introduce them to our growing network of young professionals.*

Long term goal of program: to build our future workforce, fill our open jobs, grow our community

STRATEGY

NETWORK

Provide opportunities for interns to meet members of Paducah Young Professionals, other interns and community leaders

INFORM

Offer information about the “in” spots, activities and attractions in the area to keep them engaged and enjoying their time while here

DEVELOP

Provide professional development opportunities through Paducah Young Professionals

ENJOY

Encourage summer fun with a goal of improving their time while here so they will want to return to the Paducah area
