

IT TAKES A VILLAGE TO START FRESH

LEADERSHIP PADUCAH CLASS #39 PROJECT BENEFITING

Leadership
PADUCAH

HOW YOU CAN HELP

THE WHY

The Fresh Start Village Welcome Center is often the first space residents, donors, volunteers, and community partners experience when arriving at Fresh Start Village. The current building is outdated and does not reflect the care and support needed by the residents, especially the children. This project will ensure the space reflects the high-quality environment these residents deserve. The Welcome Center also currently serves as a community building that offers parenting and cooking classes, individual/group therapy, NA/AA meetings and so much more. It's more than just a place where people gather. It's a fresh start for women and children.

Leadership Paducah Class #39 is proud to partner with Fresh Start Village on a transformational project to enhance the Welcome Center that serves as a community center. Our goal is to raise at least \$100,000 to renovate the Welcome Center with an overdue and much-needed facelift.

Funds raised will be used to enhance the interior and exterior of the building including:

- Vinyl Siding
- Landscaping
- Deck Construction
- Shutters
- Exterior Vinyl Fencing
- Interior Kitchen Remodel
- Overall Design Improvements.
