CONNECTING BUSINESSES WITH OPPORTUNITIES

As a member of the Paducah Area Chamber of Commerce, you have the ability to promote your business through sponsorships to reach a variety of audiences. These programs promote the economic well-being of the local community, and at the same time, give valuable exposure to the sponsors associated. Paducah Chamber events are highly publicized and well attended. Making your choices early will allow you to prepare for the expense and maximize your recognition.

Chamber sponsorships provide small to large businesses with opportunities for:

- **Publicity** – Raise awareness and increase brand visibility.
- **Connect with Current and Potential Customers** – Create a stronger link between your company and current and potential customers.
- **Drive Sales** – Showcase your unique and new products and services.
- **Showcase Your Company** – Drive company awareness for employee recruitment and retention.

Sponsorships are open to current Chamber members and our new members! These are confirmed on a first come, first reserved, first form turned in basis.

Please complete a form for the commitments for each business and return to the Chamber.

Note: This sponsorship package does not include some of our larger events. These include: 2027 Annual Meeting, Frankfort Day at the Capitol and DC Fly-In and a few other key programs/sponsorships that will be secured separately. The monthly Power in Partnership Breakfasts Presenting Sponsorships are currently sold out with a waiting list. **Please see below for additional information.**

Is your company interested in scheduling all of your upcoming sponsorships at one time?

If a company would like to review the list for sponsorships for the remainder of 2026 and for 2027 and make a signed commitment during the campaign, please let a Chamber staff person know. We will be happy to meet with them and review the full list that includes all events as of now. During the Membership Campaign, only the events in this sponsorship list count towards the total for the campaign points. However, if the Chamber meets with a company you have referred, and schedules sponsorships in advance for some of the events that are not included in the campaign listing, as a campaign volunteer you will receive 300 points for coordinating the meeting. If the sponsorships total (beyond what is in this sponsorship listing) \$5,000, you will receive 500 points. For \$10,000 in sponsorships or above you will receive 1,000 points. Please see below for additional instructions.

Included for review and commitments: 2027 Annual Meeting, Frankfort Day at the Capitol and DC Fly-In.

**These are not for individual points other than the bonus for the meeting and commitment.*

Not available for inclusion: Presenting sponsorships of any event that are already committed, Power in Partnership Breakfasts Presenting Sponsors, and currently sold building naming rights.

Golf Scramble

June 2027

Join us in June 2027 for the Chamber's Annual Golf Scramble with Presenting Sponsor Brown & Brown. The event is one of only a few held at the Country Club of Paducah each year. About 200 golfers and volunteers enjoy golf, fellowship and networking. The day provides an opportunity for our business and community leaders to network with current or potential clients in a relaxed atmosphere outside the office. This is a great time to get your name in front of the key business leaders and decision makers. The Golf Scramble is an excellent way to develop new business relationships, nurture partnerships and entertain prospective customers, clients and referrals...or reward your employees with a great day of fun!
