The Upholstery Shoppe, 3028 Lone Oak Road, Paducah, KY 42003

(270) 444-5700

After years of traveling in sales, I became my own boss and established “The Upholstery Shoppe”. I service residential and outdoor furniture, antiques, headboards, and cornice boards in the four-state area. I also contract labor from furniture stores, designers and decorators in the surrounding area and custom order decorative fabrics. I often hear that “reupholstery” is considered “A Dying Art”. Tell that to my customers of 14 years who are willing to wait 3-6 months. junetoon46@yahoo.com
